

Athabasca Minerals announces Leaving of Chief Executive Officer

June 15, 2015, EDMONTON, ALBERTA. Athabasca Minerals Inc. (“Athabasca” or the “Corporation”) (TSX Venture: ABM) announces that effectively immediately Mr. Dom Kriangkum has left his role as President and Chief Executive Officer (“CEO”). Mr. Kriangkum will continue to serve on the board of directors and remains the Corporation’s largest shareholder. The board of directors thanks Mr. Kriangkum for his role in identifying, developing and managing the assets of the Corporation, and looks forward to his continued input in the direction of Athabasca in becoming a major supplier of industrial minerals in Western Canada.

The Corporation is currently evaluating a replacement CEO who will be instrumental in furthering the growth and profitability of the Corporation.

About Athabasca Minerals

The Corporation is a resource company involved in the management, exploration and development of aggregate and silica sand projects. These activities include contracts works, aggregate pit management, aggregate production and sales from corporate-owned pits, new aggregate development and acquisitions of sand and gravel operations, and development and supply of frac sand for Western Canada. The Corporation also has industrial mineral land holdings for the purpose of locating and developing sources of industrial minerals and aggregates essential to high growth economic development.
